However, before the plea agreement may be finalized, more time to investigate the case is necessary for effective preparation. Specifically, defense counsel needs and requests additional time to review the images which were seized so as to determine their impact on the sentencing guideline calculations. Defense counsel has been in contact with the case agent to arrange a time and place to review this evidence.

Consequently, with the Court's permission, the parties respectfully request that the pretrial hearing date and trial date be vacated. Instead, the parties request that January 30, 2008 at 2:30 p.m. be scheduled for a change of plea to the indictment.

The parties agree that there is excludable time from December 10, 2007 to January 30, 2008 to allow for effective preparation of counsel under the Speedy Trial Act.
